Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:
- Supported identified students who have not reached the minimum standards or are a risk of not attaining this standard, through reading intervention programs.
- Implemented research-based instructional strategies using “The Art and Science of Teaching” in all classrooms e.g. Learning Goals
- Implemented term Number diagnostics for focused teaching and common assessment in P-6
- Increased student access to mobile ICT’s for learning (wireless connectivity)

Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:
- Continue to have consistency on – The Teaching of Reading and tracking progress (Whole school Approach)
