CURRIMUNDI PRIMARY SCHOOL
PARENT REFUND GUIDELINES

At Currimundi State School we are committed to providing a safe and supportive learning environment for students, staff and volunteers. This commitment includes the health and safety of staff and students when conducting curriculum activities in the school or in other locations. School excursions and camps enhance a student’s learning by providing opportunities for the student to participate in activities, both curriculum-related and recreational, outside the normal school routine. State Schools are able to charge a fee for:

- An educational service including materials and consumables not defined as instruction, administration and facilities for the education of the student;
- An education service purchased from a provider other than the school where the provider charges the school and,
- A specialised educational program.

A school fee is directed to the purpose for which it is charged. School fees for extra-curricular activities are calculated on a cost recovery only basis, according to the number of students who have indicated their attendance. Participation of students in an extra-curricular activity is indicated through payment of the fee and provision of a permission form completed by the parent.

As the school budget cannot meet any shortfalls in funding for an extra-curricular activity due to the subsequent non-participation of a student who had previously indicated attendance of the activity, fees already paid for an extra-curricular activity may be refunded in full or in part or not at all, having regard to the associated expenses incurred and the circumstances of the non-participation.

Refunds are not granted automatically if students do not attend an activity. If a parent wishes to apply for a refund due to their child's non-participation in an extra-curricular activity, they may do so by completing a ‘Request for Refund’ form available from the school office. Where possible, the request should include the receipt relating to the payment for which a refund is being sought.

It is preferred that refunds be made as a credit against the student’s account at the school, and used to offset any future charges or if there is any outstanding debt for this student or his/her siblings, the school reserves the right to apply any approved refunds to this debt.
